

Project Design Phase-II Data Flow Diagram

Team ID	PNT2022TMID04270
Project Name	AI Based Discourse for Banking Industry

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. It is also a **graphical or visual representation using a standardized set of symbols and notations to describe a business's operations through data movement**. They are often elements of a formal methodology such as Structured Systems Analysis and Design Method (SSADM).
